RE: PROFESSIONAL RECOMMENDATION FOR HORIZONT IVANOV EOOD

We write to recommend Horizont Ivanov EOOD who were the main contractor for the following project:

- Sofia Airport Center, phase 1A, Logistic area. Buildings B.01, B.02 and external works.
- Completion: 01.10.2007 – 31.09.2009
- Amount: 20 147 134 EURO;
- Description: total area – 50 000 sq.m.; gross built-up area – 29 000 sq.m;
- Completed works: design and build.

The project has been completed within the framework of the negotiated terms and completed to a good standard.

During the construction process, the contractor has been in regular contact with us which helped solving problems as they arose.

Horizont Ivanov EOOD have executed their contractual obligations well.

I would recommend the company to any prospective employer.

I look forward to the opportunity of working with Horizont Ivanov EOOD on another project in the future.

Best regards.
